Ministry of Education and Culture  
Ministère de l'Éducation et de la culture

# Internationalisation of Finnish HE and research

# Development Plan for Education and Research 2011-2016

Quality enhancement in research and education, a stronger knowledge base and potential for exporting education require greater international contacts and receptivity. Cooperation will be stepped up especially with the leading research countries and emerging economies, notably with **China, Brazil, Russia and India**.

Ministries of Education in both countries working on MoC on education cooperation

# Finceal project

- FinCEAL Plus is a project financed by the Finnish Ministry of Education and Culture with the purpose of increasing support for Finnish researchers focusing on
  - Africa,
  - Asia and
  - the LAC regions.

The project is a continuation and expansion of the FinCEAL project (2013-2014) and aims to enhance Finnish expert participation and influence in the EU-Africa, EU-Asia and EU-CELAC Science, Technology and Innovation (STI) policy dialogues.
